"**There are two types of companies:
those that have been breached,
and those that don`t know
they have been breached**"

- Shawn Henry, a former official at the US FBI

responsible for cybersecurity investigations

The Pseudo Insider Threat

We Must Share Information with 3ʳᵈ Parties, but Security Is Often an Afterthought

- Poor Visibility
- Policy Exceptions
- Lack of Governance
- Unwarranted Access
- Black Box 3ʳᵈ Party Systems
- Limited or Zero Control
